Clara The Cow

Clara belongs to farmer Giles and lives on his farm. She walks around the field most of the day grazing on grass and leaves.

Clara is a herbivore. This means she only eats plants.

Cows eat their food a little different than us. They swallow grass without chewing it, then later regurgitate a cud and chew it well and swallow it again.

Clara is taken to the dairy twice a day to be milked by Farmer Giles. This milk ends up on your breakfast table. Clara is black and white but some of her friends on the farm are brown cows.

Clara enjoys her life on the farm, she is well looked after by Farmer Giles and has many other cows in the field to keep her company.
