Goldilocks and the Three Bears part 1

Once upon a time there was a girl called Goldilocks. She went for a walk in the woods. Now in this wood there lived a family of three bears. The first was a great big bear, the second was a middle sized bear and the third was a little teeny tiny bear, and they all lived together in a funny little house, and very happy they were.

Goldilocks stopped when she came to the Bear's house, and began to wonder who lived there. "I'll just look in and see," she said, and so she did. There was no one there, for the bears had all gone out for a morning walk, whilst the soup they were going to have for dinner cooled upon the table.
